Step 1: List the top three core values that you want to be remembered for

Step 2: List the top three passions in your life

Step 3: List the top three talents, skills or abilities that you possess

Step 4: Use the following example sentence as a template to build your life purpose statement. Do not feel that you need to be restricted to this template however. The important part is making sure you are expressing your values through your passions and talents.

"My purpose in life is to express my core values of _____ through my love of _____ and my unique talents of _____"
